

Belgrave Mews North London SW1

Contract Details

Value: £1.35m

Client: Landmass Properties Ltd

Arch: MSMR Architects

QS: David R Parker

The works comprise the alteration, refurbishment and extension to a four storey mews house. This includes forming a new basement, complete new M&E installations, new finishes from bare brickwork to completion for an extremely high standard property. There are also the added problems of extremely limited storage and the adherence to Grosvenor Estates working conditions and approval process.
